We are Gifted and We are Called

Most of us are generous when it's convenient for us. We are generous when we have the time or the money. But, generosity is the opposite of that. It means giving of one's time, money, compassion, forgiveness or mercy when it's not convenient; when it's not on our schedule, but on the other person's schedule.

They were exceedingly astonished and said among themselves, "Then who can be saved?" Jesus looked at them and said, "For human beings it is impossible, but not for God. All things are possible for God."

Mk 10:26-27
